The meeting was called to order by President Afton Blood who presided at the meeting. President Blood turned the time to representatives of the USGS who led is discussion regarding the gauging stations along the Sevier River along with a slide presentation of what is involved in running the stations, noting that they have been running stations for the Division of Water Rights for over 50 years in Utah. There was a general discussion as to the needs of the River Commissioners and the timeliness and

usefulness of the information being received from the USGS. The two River Commissioners were assigned to develop a list of the stations and what they needed regarding each of those stations.

Minutes of the meeting held on April 12, 1995 were read. Ivan Cowley moved that the minutes are approved as read. The motion was seconded by Kurt Sorenson and passed unanimously.

President Blood talked about a complaint from the Kingston water users regarding the assessment. It was noted that the assessment had been increased by \$39,000 just because of the CUWCD not paying into the river any more.

There being no further business, Clyde Bunker moved that the meeting is adjourned. The motion was seconded by Ivan Cowley and passed unanimously. The meeting adjourned at 11:20 a.m.
